20 The United States, by its attorneys Laura E. Duffy, United States Attorney, and Steve B.  
21 Chu, Assistant United States Attorney, hereby respectfully notices the removal of the above-  
22 captioned civil action from the Superior Court of California, County of San Diego. Removal  
23 is noticed upon the following grounds:

24       1. An employee of the United States is a named defendant in the above-captioned  
25 case originally filed as Civil Case No. 37-2009-00104380-CU-PO-CTL in the Superior Court  
26 of the State of California, County of San Diego. The United States Attorney received  
27 notification of the existence of this action on January 5, 2010.

2. Removal of this case is appropriate under 28 U.S.C. §§ 1441, 1442, and 1446, as

1 Mike Flanigon, a federal employee, is a defendant in the action. 28 U.S.C. § 2679(d)(2)  
 2 provides for removal of a case upon certification by the Attorney General that the defendant  
 3 employee was acting within the scope of their office or employment at the time of the incident  
 4 out of which the claim arose. The United States has filed concurrently with this Notice of  
 5 Removal a Certification of Scope of Employment certifying that Mr. Flanigon was acting within  
 6 the scope of his federal employment at all times relevant to this case. Additionally, 28 U.S.C.  
 7 § 1442 (a)(1) provides for removal in cases commenced in a state court against the United States,  
 8 its agencies and officers. Therefore, this suit is properly subject to removal, without bond, under  
 9 28 U.S.C. §§ 1442(a)(1), and 2679(d)(2) since the action to be removed is pending in a state  
 10 court located within this federal judicial district.

11       3. A further basis for removal is that the tort claims for monetary relief against the  
 12 United States in this action appear to be brought pursuant to the provisions of the Federal Tort  
 13 Claims Act (“FTCA”) (28 U.S.C. § 1346(b) and §§ 2671-2680). United States District Courts  
 14 have exclusive jurisdiction over FTCA litigation. 28 U.S.C. § 1346(b)(1). It also is anticipated  
 15 that the United States may raise several defenses to Plaintiffs’ Complaint including, but not  
 16 limited to, the following: (1) the United States has sovereign immunity as a defense to certain  
 17 claims; and (2) Plaintiffs have failed to exhaust their administrative remedies under the FTCA.

18       4. Copies of the Plaintiffs’ Complaint received by the United States Attorney are  
 19 attached as Exhibit 1 and filed herewith in compliance with the provisions of  
 20 28 U.S.C. § 1446(a).

21       WHEREFORE, this action now pending in the Superior Court of California, County of  
 22 San Diego, is hereby properly removed therefrom to this Court.

23                   DATED: January 24, 2011

24                   Respectfully submitted,

25                   LAURA E. DUFFY

was the legal (proximate) cause of damages to plaintiff. By the following acts or omissions to act, defendant negligently caused the damage to plaintiff

on (date): July 8th, 2009

at (place): 4510 Alvarado Canyon Rd., San Diego, CA 92120

*(description of reasons for liability):*

Defendants failed to provide adequate private security patrol, adequate lighting and adequate surveillance monitoring as dictated by minimum industry standards. The manner in which the premises were hazardous was a result of inadequate security safeguards. The nature of these inadequate security safeguards directly led to the unsafe conditions that Plaintiff found himself in, at the Grantville Trolley Station on the night of July 8th 2009. The lack of adequate security safeguards when the Plaintiff was using public transportation directly led to the assault suffered by the Plaintiff. Had adequate security safeguards been provided and maintained by the Defendants it is highly likely that the assault would never had occurred, nor would the Plaintiff ever had sustained injury.

Plaintiff Beriones is the mother of Plaintiff Alshaikh. What happened to Plaintiff Alshaikh directly affected Plaintiff Beriones. On or about July 8th 2009, at the Grantville Trolley station, Plaintiff Alshaikh was severally beaten and robbed by 3 assailants. Plaintiff Alshaikh sustained physical and emotional injuries that continue to plague him. He continues to require medical treatment by his healthcare providers.

Before July 8th 2009, Plaintiff Alshaikh was working full time, and had plans to return to school but this horrific incident altered his plans and life. Since the attack, Plaintiff Alshaikh has had to rely upon Plaintiff Beriones, his mother, for his total care. Plaintiff Beriones has been his sole supporter both monetarily and emotionally because of his inability to care for himself. What has happened to Plaintiff Alshaikh has had direct adverse consequences for Plaintiff Beriones. As a direct result from the July 8th 2009 attack on her son, Plaintiff Beriones has suffered monetary losses and emotional damages including fear, shock, humiliation, mental and emotional distress.

Plaintiffs' allege Defendant Heritage Security Services, et al, owed a duty of care to Plaintiff Alshaikh, and in turn to Plaintiff Beriones; to meet their contractual obligations to provide adequate security measures at the Grantville Trolley Station on or about July 8th, 2009. Defendants' failure to meet these obligations directly resulted in the attack upon Plaintiff Alshaikh.

as defined in Civil Code section 3294, and plaintiff should recover, in addition to actual damages, damages to make an example of and to punish defendant.

## EX-2. The facts supporting plaintiff's claim are as follows:

Defendant Mr. Mike Flanigan, Director of FTA has a responsibility and obligation to protect the safety and welfare of its citizen when using its system of public transportation.

Mr. Flanigan failed to provide proper safeguards such as adequate security i.e. private security-patrol, adequate lighting and adequate surveillance monitoring to protect patrons of its system of public transportation.

On July 8th 2009, at the Grantville Trolley, San Diego, CA. 92120; does 1-3 maliciously attacked, beat and robbed Plaintiff, Miccael Alshaikh, while he waited for the trolley, injuring him and taking his personal property.

Plaintiffs' allege Defendant Heritage Security Services, et al, owed a duty of care to Plaintiff Alshaikh, and in turn to Plaintiff Beriones; to meet their contractual obligations to provide adequate security measures at the Grantville Trolley Station on or about July 8th, 2009. Defendants' failure to meet these obligations directly resulted in the attack upon Plaintiff Alshaikh. Defendants' failed to provide adequate security patrol, adequate lighting, and adequate surveillance monitoring as dictated by security industry standards. Had adequate security safeguards been provided and maintained by the Defendant it is highly likely that the assault would never have occurred, nor would the Plaintiffs have ever suffered any injuries or damages.

## EX-3. The amount of exemplary damages sought is

- a.  not shown, pursuant to Code of Civil Procedure section 425.10.

Location Of Incident (Or Address) 4510 ALVARADO CANYON RD RD		City San Diego		District 321 Beat 321
Person(s) Involved: Victim Alshaikh , Miccael Abdulkalek				
Suspect (If Named) Suspect One				
Property Tag No.(s) 104483				

**SYNOPSIS:**

The three described suspects hit and kicked the victim, Miccael ALSHAIKH, multiple times and took his cellular phone, iPod, and \$70.00 cash. The total loss is valued at \$270.00. The victim received minor injuries. No one is in custody at the time of this report. The victim and one witness can identify the suspects.

**ORIGIN:**

On 7-8-09, at 2303 hours, Officer Gasteiger # 5655 and I responded to a radio call of a robbery at the San Diego Grantville Trolley Station at 4510 Alvarado Rd.

**BACKGROUND:**

I certify that the information requested is used solely for those limited purposes stated and will not be used to harass, degrade or humiliate any person. The requesting agency or person hereby agrees to indemnify and hold harmless the San Diego Police Department and the City of San Diego for any liability arising out of the improper use of the information provided

**INVESTIGATION:**

While Officer Gasteiger and I were en-route to the scene, dispatch put out the following description of the suspects: 3 black males, #1 light complexion, thin, 5' 9"- 5'10" tall wearing a black shirt; #2 wearing a white shirt, and #3 wearing a white tank-top. Upon our arrival, SDFD Medic Unit #62 was evaluating the victim's, Miccael ALSHAIKH, injuries. I observed that ALSHAIKH had a swollen and bruised right eye, and he was holding his right shoulder as if it were injured. ALSHAIKH'S clothing was disheveled and he was sweating. ALSHAIKH refused treatment by Medics and signed a waiver letter.

I contacted ALSHAIKH and obtained the following statement:

**Statement of Miccael ALSHAIKH (Victim):**

ALSHAIKH told me he was on his way to a friend's house in Hillcrest. ALSHAIKH said he went to check the schedule at the bus stop and asked a group of three black males standing nearby what time it was. ALSHAIKH said the three black males jumped him without saying anything and started beating the "crap" out of him. ALSHAIKH said they hit and kicked him in the body and head multiple times for 40 to 45 seconds. ALSHAIKH said he saw the male in the white tank top grab his backpack he was carrying and take items from it. ALSHAIKH said the males then left, got on a bus at the bus stop, and then got off the bus and started running westbound from the Trolley Station.

ALSHAIKH said he determined the three suspects took his Motorola cellular phone, \$70.00 cash, and his iPod. ALSHAIKH told me the suspects did not say anything to him during the entire incident. ALSHAIKH said the suspects did not say anything as they were leaving the scene. ALSHAIKH said he could identify the suspects if he saw them again.

Officer Gasteiger took 7 digital photos of ALSHAIKH and his injuries. Officer Gasteiger, Officer Hill, and myself checked the area for any other evidence and did not find any. A Trolley cleaning crew was present nearby at the time of the incident and had power washed the area where the robbery occurred before our arrival.

Officer Hill, # 3117, performed a witness check. Officer Hill obtained a statement from a witness, John FREELAND (09-30-76), who was working on the cleaning crew at the Trolley Station. See Officer Hill's Arjis 9 report for details.

I provided and explained to ALSHAIKH the Marsy's Law Victim's Bill of Rights Card, with the case number written on top of it. I obtained ALSHAIKH'S e-mail address, which is included in the contact information above.

ALSHAIKH asked if we could transport him to Alvarado Hospital to have his injuries evaluated. Officer Gasteiger and I provided ALSHAIKH with a courtesy transport to Alvarado Hospital.

## PHYSICAL ASSAULT

You have been examined today for physical injuries. Because of the emotional upset that happens during a physical assault, you may not be aware of areas of pain or injury until tomorrow. Watch for the signs below.

Following a physical assault, it is normal to feel many strong emotions. Shock, embarrassment, fear, depression, blame, guilt, shame or anger are all very common and normal feelings. For a while, you may find it hard to find a sense of balance in your life. You may not be able to think clearly and you may have strong emotions about what happened to you. This is normal.

It can take time to get back to the point where you feel comfortable and safe again. Crisis intervention and supportive counseling can help you get through this.

Many states require your doctor to notify the law enforcement agency when they treat a victim of a violent crime. This does not mean that you have to prosecute or go to trial. You may be eligible for compensation of medical costs or losses related to the assault. Talk to the local law enforcement agency for details.

### HOME CARE:

- 1) Follow your doctor's advice regarding the care of any physical injuries.
- 2) You may use acetaminophen (Tylenol) or ibuprofen (Motrin, Advil) to control pain, unless another pain medicine was prescribed. [ NOTE : If you have chronic liver or kidney disease or ever had a stomach ulcer or GI bleeding, talk with your doctor before using these medicines.]
- 3) Don't isolate yourself. For the next few days, you may prefer to stay with family or a friend for emotional support and a sense of physical safety. Seek out local resources or refer to the links below for more information.

**FOLLOW UP** with your doctor or as advised by our staff. Refer to the links below for more information.

DOES 1-5 : Lawrence Richman; Paul Jablonski; William Burke; Randall Iwasaki; and Mike Flanigan.

Does 6 \_\_\_\_\_ to 10 \_\_\_\_\_

was the legal (proximate) cause of damages to plaintiff. By the following acts or omissions to act, defendant negligently caused the damage to plaintiff

on (date): July 8th, 2009

at (place): 4510 Alvarado Canyon Rd., San Diego, CA 92120

(description of reasons for liability):

Defendants failed to provide the minimum industry standards; such as adequate security i.e. private security patrol, adequate lighting and adequate surveillance monitoring. The manner in which the premises were hazardous was a result of inadequate security safeguards. The nature of these inadequate security safeguards directly led to the unsafe conditions that Plaintiff found himself in, at the Grantville Trolley Station on the night of July 8th 2009. The lack of adequate security safeguards when the Plaintiff was using public transportation directly led to the assault suffered by the Plaintiff. Had adequate security safeguards been provided and maintained by the Defendants it is highly likely that the assault would never had occurred, nor would the Plaintiff ever had sustained injury.

Location Of Incident (Or Address) 4510 ALVARADO CANYON RD RD	City San Diego		District Beat 321
Person(s) Involved: Victim Alshaikh	Miccael	Abdulkalek	
Suspect (If Named) Suspect One			
Property Tag No.(s) 104483			

**SYNOPSIS:**

The three described suspects hit and kicked the victim, Miccael ALSHAIKH, multiple times and took his cellular phone, iPod, and \$70.00 cash. The total loss is valued at \$270.00. The victim received minor injuries. No one is in custody at the time of this report. The victim and one witness can identify the suspects.

**ORIGIN:**

On 7-8-09, at 2303 hours, Officer Gasteiger # 5655 and I responded to a radio call of a robbery at the San Diego Grantville Trolley Station at 4510 Alvarado Rd.

**BACKGROUND:**

None

**INVESTIGATION:**

I certify that the information requested is used solely for those limited purposes stated and will not be used to harass, degrade or humiliiate any person. The requesting agency or person hereby agrees to indemnify and hold harmless the San Diego Police Department and the City of San Diego for any liability arising out of the improper use of the information provided.

While Officer Gasteiger and I were en-route to the scene, dispatch put out the following description of the suspects: 3 black males, #1 light complexion, thin, 5' 9"- 5'10" tall wearing a black shirt; #2 wearing a white shirt, and #3 wearing a white tank-top. Upon our arrival, SDFD Medic Unit #62 was evaluating the victim's, Miccael ALSHAIKH, injuries. I observed that ALSHAIKH had a swollen and bruised right eye, and he was holding his right shoulder as if it were injured. ALSHAIKH'S clothing was disheveled and he was sweating. ALSHAIKH refused treatment by Medics and signed a waiver letter.

I contacted ALSHAIKH and obtained the following statement:

**Statement of Miccael ALSHAIKH (Victim):**

ALSHAIKH told me he was on his way to a friend's house in Hillcrest. ALSHAIKH said he went to check the schedule at the bus stop and asked a group of three black males standing nearby what time it was. ALSHAIKH said the three black males jumped him without saying anything and started beating the "crap" out of him. ALSHAIKH said they hit and kicked him in the body and head multiple times for 40 to 45 seconds. ALSHAIKH said he saw the male in the white tank top grab his backpack he was carrying and take items from it. ALSHAIKH said the males then left, got on a bus at the bus stop, and then got off the bus and started running westbound from the Trolley Station.

**PHYSICAL ASSAULT**

You have been examined today for physical injuries. Because of the emotional upset that happens during a physical assault, you may not be aware of areas of pain or injury until tomorrow. Watch for the signs below.

Following a physical assault, it is normal to feel many strong emotions. Shock, embarrassment, fear, depression, blame, guilt, shame or anger are all very common and normal feelings. For a while, you may find it hard to find a sense of balance in your life. You may not be able to think clearly and you may have strong emotions about what happened to you. This is normal.

It can take time to get back to the point where you feel comfortable and safe again. Crisis intervention and supportive counseling can help you get through this.

Many states require your doctor to notify the law enforcement agency when they treat a victim of a violent crime. This does not mean that you have to prosecute or go to trial. You may be eligible for compensation of medical costs or losses related to the assault. Talk to the local law enforcement agency for details.

**HOME CARE:**

- 1) Follow your doctor's advice regarding the care of any physical injuries.
- 2) You may use acetaminophen (Tylenol) or ibuprofen (Motrin, Advil) to control pain, unless another pain medicine was prescribed. [ NOTE : If you have chronic liver or kidney disease or ever had a stomach ulcer or GI bleeding, talk with your doctor before using these medicines.]
- 3) Don't isolate yourself. For the next few days, you may prefer to stay with family or a friend for emotional support and a sense of physical safety. Seek out local resources or refer to the links below for more information.

**FOLLOW UP** with your doctor or as advised by our staff. Refer to the links below for more information.

**SPRAINSHOULDER**

A SPRAIN is a stretching or tearing of the ligaments that hold a joint together. This may take up to six weeks to fully heal, depending on how severe it is. Moderate to severe shoulder sprains are treated with a sling or "shoulder immobilizer". Minor sprains can be treated without any special support.

**HOME CARE:**

- 1) If a sling was provided, leave it in place for the time advised by your doctor. If you are unsure how long to wear it, ask for advice. If the sling becomes loose, adjust it so that your forearm is level with the ground and the shoulder feels well supported.
- 2) Apply an ice pack (ice cubes in a plastic bag, wrapped in a towel) over the injured area for 20 minutes every 1-2 hours the first day. Continue with ice packs 3-4 times a day for the next two days, then as needed for the relief of pain and swelling.
- 3) You may use acetaminophen (Tylenol) or ibuprofen (Motrin, Advil) to control pain, unless another pain medicine was prescribed. [ NOTE : If you have chronic liver or kidney disease or ever had a stomach ulcer or GI bleeding, talk with your doctor before using these medicines.]
- 4) Shoulder joints become stiff if left in a sling for too long. Range of motion exercises should usually be started within the first ten days after injury. Consult your doctor on what type of exercises to do and how soon to start.

**FOLLOW UP** with your doctor as directed if the pain does not start to improve within the next five days.

[NOTE: If X-rays were taken, they will be reviewed by a radiologist. You will be notified of any new findings that may affect your care.]

**GET PROMPT MEDICAL ATTENTION** if any of the following occur:

- Increasing shoulder pain or arm swelling
- Fingers become cold, blue, numb or tingly
- Large amount of bruising of the shoulder or upper arm
